

## **Agro acquires stores in Pincher Creek, Claresholm and Cranbrook**

Agro, the largest John Deere dealership in Canada, is proud to announce the addition of three stores to the Agro family previously owned and operated by Ranchers Supply Inc. The stores, located in Pincher Creek and Claresholm, Alberta and Cranbrook, British Columbia, will continue to carry the full line of John Deere agriculture and turf equipment, plus Polaris all-terrain vehicles and snowmobiles. Agro's new Cranbrook store will also supply Bobcat equipment.

Former Ranchers Supply customers will notice the name on the front door has changed, but you can expect the same great service from the people you trust. Agro is pleased to welcome Mark Hofman, a former partner in Ranchers Supply, who has chosen to join the Agro team as our Store/Sales Manager for Pincher Creek and Claresholm.

Jim Wood will ensure Agro's new Cranbrook store meets the needs of customers in southwestern B.C. Jim brings over 20 years' experience in parts, sales, and management.

The new Agro management team invites you to our newest stores and looks forward to earning your business. Agro and Ranchers Supply are committed to making the transition as seamless as possible. Please contact your local store if you have any questions or suggestions.
