

2008/2009 AGRO Performax Inspection Program

Program in effect until September 30, 2009

JOHN DEERE

You've invested in John Deere Equipment...make your investment pay with AGRO Performax Inspections

Agro Performax Inspections are designed to give you a full and detailed report about the condition of your equipment. These inspections are exclusive to Agro and have been designed by technicians whose experience is measured in decades.

Features:

- Factory Trained Technicians
- Detailed report reviewed with you after the inspection is complete
- No additional work done without your authorization
- Financing and Payment plans available
- Warranty - upon completion of an AGRO Performax Inspection and providing all required repairs are made, AGRO will warrant all replaced parts and labor for a period of one year from date of first use
- Rental unit available at a reduced rate if required

Benefits to You

MINIMIZE Downtime

MAXIMIZE Resale Value

Technicians are readily available - avoid the in-season rush
